

Master Trail Steward Trail Training Course

Course offered through Shawnee Community College and sponsored by Shawnee National Forest and U of I Extension.

Certificate awarded upon completion.

Looks great on a resume!

Course includes a combination of hands-on workdays, tool rehabilitation practice, backcountry living skills instruction, teambuilding skills, environmental education, and the chance to lead your own volunteer workday project!

Duration is fall 2008 through spring 2009 on weekends (typically on Saturdays, except for the Backcountry Living Skills weekend in the wilderness)

Get the experience you need to become a volunteer trail project leader or to supplement your job training.

Class begins September 13 and will be held at the Murphysboro Work Center from 5-8 PM.

Contact the Murphysboro Work Center for more information at 618-687-1731.

Locations will be at various wilderness sites throughout the Shawnee and at the Murphysboro Work Center and Anna U of I Extension office.

CPDUs Available for teachers!
